Title: Dynamic Leadership
Date: Saturday, June 12, 2021
Time: 1:00-2:40 pm
Topic: A dynamic leader does not need the word leader in their job title to take ownership of their area of influence. Leadership plays an essential part in the realization of an organization's vision and mission. Teams should understand the concept of internal and external customers to whom they provide a product or service. One team, a cross-functional team, and/or a multi-department team must work together effectively towards a common goal.

 A dynamic leader needs to have the ability to properly analyze situations and make deliberate, calculated decisions to motivate and engage their team to move forward. Peter Brill, Assistant Director of Finance and Customer Service with the City of Ocala will share his best practices in dynamic leadership to the attendees of this year's *Energy Connections*.
CPE: 2 hours (BEH)
