CGFO Certification Committee

Mr. Baker presented the CGFO Certification Committee report stating there are now 551 active CGFO's, 85 of which have accepted an extension of the time to report their earned CPE as previously approved by the Board. There are currently 293 CGFO candidates, 4 of which have accepted the extension of the time to report their earned CPE. CGFO Exams will be offered again at the Annual Conference in June. In-person reviews and exams will also be offered at the SOGF in the Fall.

CGFO Testing Options

At the January 20, 2023, Board meeting FGFOA staff was authorized to purchase a new Scantron machine due to the current machine being outdated. The CGFO Committee brought forth a proposal for FIU to review the CGFO program and offer assistance for online testing and review of course material. However, FGFOA staff found a more cost-effective alternative offering online and in-person testing for \$400 per year for up to 600 tests. Additional tests can be purchased if needed. In a consensus of the Board, they are giving the CGFO Committee direction for the University of Georgia to review and add learning objectives to aid in preparation of review courses, and to add questions to the current test bank at the cost of \$4,800. This item will be tabled until the Strategic Planning meeting in May. No motion was made.

Further, after discussion, Mr. Colvin proposed that he begin an analysis of the pricing structure for CGFO review courses and exam fees. He will also bring a proposed schedule of implementation for those in the CGFO program verses new applicants.

From the nominations received, the selection committee may recommend one candidate annually, but will do so only when the committee concludes that the nomination meets the established criteria. The recommendation for the Lifetime Achievement must be presented to the Board of Directors for approval. <u>Ad-hoc Committees</u> – Appointed by the President as needed and serve for a specific purpose on an annual basis or for a limited period of time.

Standing Committee Chairs must be active FGFOA members. An associate member cannot be a Standing Committee Chair, or Subcommittee Chair. Each Standing Committee will have a Director liaison assigned by the President. Standing Committee Chairs should actively involve the Board liaison in Committee meetings and communications. Standing Committee Chairs are strongly encouraged to attend the quarterly Board meetings to gain a better understanding of the FGFOA needs and the Standing Committee Chair's responsibilities. Standing Committee Chairs are required to submit periodic reports to the Board of Directors and a summary report to the membership at the annual business meeting. At least three weeks prior to a Board meeting, the Standing Committee Chair shall provide the quarterly report and any agenda requests/recommendations.

Standing Committees will establish objectives to include specific projects and activities on an annual basis. As appropriate, the Board of Directors or the President may direct or suggest that Standing Committees study and make recommendations on certain projects, programs, or FGFOA policy positions. Standing Committees report at least quarterly to the Board on their activities and accomplishments. Standing Committees are not authorized to endorse programs, projects or adopt a policy position on behalf of the Board or the FGFOA and are required to seek the Board's guidance in such matters.

Membership on Standing Committees is open to active, retiree, and associate members. To the extent that it is possible and/or practical, the majority of each committee shall consist of active members with consideration given to each member's field of expertise, professional experience, and the geographical location, size and type of the member's employing governmental unit. The President-elect has an active role in the appointment process for selecting Standing Committee Chairs and new committee members and is responsible for the appointment of members to each of the committees that will serve during their term as President.

All prospective members must indicate a willingness to fully participate in the committee's activities. The President may specify the minimum number of members on each committee. Members are appointed for a one-year term, and are encouraged to renew their committee membership annually by application to provide institutional knowledge and experience necessary for continuity.

The President can remove committee members for any reason. Vacancies for unexpired terms are appointed by the President. Standing Committees may meet in-person or virtually. Standing Committees function more effectively with in-person meetings; therefore, all Standing Committees are encouraged to have at least two in-person meetings. The number and type of committee meetings will be determined by the respective Standing Committee Chair in consultation with the Director liaison. Committee actions or recommendations should reflect the consensus of their members or the majority of those present at a regularly scheduled meeting.

Terms of Office

While the fiscal year runs from July 1 to the following June 30 of each year, the Officers, Directors, Standing Committee Chairs appointments shall begin at installation during the annual business meeting and end at the subsequent annual business meeting for their period of service. With regard to terms of office, reference to "elections" in the Bylaws shall mean "date of installation."

Administration and Staffing

The Officers may delegate certain duties and responsibilities to the FGFOA Executive Director. Additionally, Standing Committee Chairs, with Board of Director's approval, may delegate certain duties and responsibilities to the FGFOA Executive Director. The FGFOA currently contracts with the Florida League of Cities, Inc. (the "League") in Tallahassee, Florida to provide staffing and office support. As an independent contractor, the League provides professional, planning, and administrative services under work plans approved by the FGFOA Board of Directors. The designation of the FGFOA's Executive Director is subject to the approval of the FGFOA Board of Directors.

FGFOA Membership

Membership Categories and Dues

FGFOA membership is available in one of five distinct categories: Active, Retiree, Associate, Student and Life Honorary. The FGFOA's fiscal year begins July 1 and ends the following June 30 of each year. Membership fees will be established annually by the Board of Directors and are due and payable by the first day of the fiscal year, July 1. Any individual renewing his membership will have a thirty-day grace period (beginning July 1) during which to pay their dues. After July 31, the member will be given a courtesy final notice, but they will be dropped from the current membership roster and will lose all privileges associated with membership until membership is renewed. New members are welcome to join at any time during the year; however, membership fees will not be prorated. Each member is responsible for notifying the

FGFOA's office of changes in employment status, address, phone number, and similar member data. Life Honorary Membership, awarded in accordance with Article XI of the FGFOA Constitution and Bylaws, does not require the payment of annual membership dues or registrations fees for educational events.

Membership Inquiries

Members are encouraged to call upon the Officers, Directors, Committee Chairpersons and committee members on issues related to their specific responsibilities. Members of the Board are also available to provide general assistance and direct specific inquiries to the appropriate Officer, Director, Committee Chair, or staff person for additional assistance.

Through the FGFOA website (www.fqfoa.org) and other periodic communications, the FGFOA will provide information to members on how to initiate inquiries and to whom. All members are encouraged to submit information of general interest to the Board of Directors or appropriate Standing Committees.

Local Chapter Organizations

Eligibility for Recognition

Twelve or more active members may petition the Board of Directors for recognition as a local chapter of the FGFOA. Applications for chapter status must be submitted to the Board of Directors for approval. The Board shall have the sole discretion in recognizing local Chapters. Chapters are largely self-governed, however, the local chapter's bylaws must be consistent with those of the FGFOA. Any Chapter by-law amendment must be presented to the Board of Directors for approval prior to the Chapter membership voting on such amendment. All Officers and Directors of the local Chapter must be active FGFOA members. An associate member cannot serve as an officer of the local Chapter. Only one Chapter may exist in a single geographic area.

The chapter shall notify the Secretary/Treasurer of its officers within thirty (30) days of their election, and the Secretary/Treasurer will communicate the election results to the Board of Directors. Local Chapters are responsible for their own financial affairs, however, the Chapter must file an annual financial report with the FGFOA Secretary/Treasurer no later than August 15 of each year. Such financial statements shall be for the previous fiscal year. Chapters may provide CPE under the auspices of the FGFOA and must comply with FGFOA's CPE reporting requirements.

Revocation of Chapter Status

A local chapter's charter may be revoked with cause, provided the local chapter has had an opportunity for a hearing before the Board of Directors. Revocation requires a two-thirds vote of the members of the full Board of Directors. The Board's decision is final and shall cancel all rights, interests, or privileges of the recognized chapter regarding its affiliation with the FGFOA.

Support Services to Local Chapters

The FGFOA will assist local Chapters in various support functions by providing mailing lists and notices, announcing meetings in the State newsletter, and providing other general support services as requested.

June 2023 8

GFOA Representatives

The GFOA requests that each state association appoints GFOA representatives. The primary responsibility of a GFOA state representative is to serve as GFOA's liaison with its members in their state. Additionally, representatives are responsible for keeping GFOA and their state association aware of each other's activities.

Representatives have several important duties to fulfill including:

- Serving GFOA members in their state by responding to requests for information and discussing the activities of the GFOA during their state association annual meetings or at various executive board or committee meetings of these organizations;
- Promoting membership in GFOA to finance officials in their state by making presentations about the benefits of membership in GFOA and providing brochures and other information to prospective members;
- Providing information to GFOA about the activities of their state association including copies of association newsletters, directories, news releases, publications and other information on developments that would be of interest to GFOA members nationwide;
- Notifying the GFOA staff liaison of state meetings of finance officers including the dates and locations of the meetings and agendas, if available; and
- Presenting GFOA awards to governments, if requested, or finding another GFOA member to make such a presentation.

Most of the duties listed above are performed by the FGFOA Staff, except for the presentation of the GFOA awards to governments. For this purpose, each local chapter shall appoint a GFOA Representative(s) to help facilitate enough resources that are geographically diversified across the state. Each Chapter can determine how they appoint their representative(s) and the length of the terms. The names of their appointee(s) shall be submitted each year to the FGFOA prior to July $1^{\rm st}$. The term shall be from July 1 – June 30 and persons can serve consecutive terms. There will be no travel reimbursement from the FGFOA, but the Chapters may elect to provide travel reimbursement, at their discretion.

Nomination and Election of Officers and Directors

The Nominating Committee shall have at least one virtual meeting prior to the initiation of the nomination process. The Nominating Committee shall have at least one meeting in person to review the candidates, unless the Nominating Committee Chair determines it is not necessary based on the candidates. However, if there are two or more candidates for Secretary/Treasurer, the in-person meeting is required. The Immediate Past President shall serve as the chair of the Nominating Committee. Upon appointment, the Nominating Committee shall actively solicit prospective candidates. All candidates will be required to

complete an application form provided by the Nominating Committee. The Nominating Committee members shall not be permitted to submit an application for a Board position. Application forms submitted by each candidate shall be provided to the members of the Nominating Committee who shall review each candidate's willingness to serve, eligibility and qualifications for holding office.

In considering prospective candidates, the Nominating Committee will review the Secretary/Treasurer & Board of Directors Applications and corresponding resumes and recommend a qualified member (one candidate) who is considered to be the best suited to serve in the office of Secretary/Treasurer and to recommend qualified members (one candidate for each open position) who is/are considered to be the best suited to serve as Director(s) regardless of race, gender, or age. However, the Nominating Committee reserves the right to ask for additional information, references or request interviews.

In order to be eligible to serve as an Officer, the Nominating Committee may only consider candidates currently serving as a Director or have served as a Director within the past three years, and shall have served at least three years as a Director. In addition, no active member may apply for more than on e position (i.e., Officer or Director) during any election and no member of the Nominating Committee, except for the President-elect, may be considered for an Officer or Director position. However, if a Board member is eligible to apply for an additional term as Director applies for the Secretary/Treasurer position, they may request in writing (by the application deadline) that the Nominating Committee consider their application for a Director position in the event they are not recommended by the Nominating Committee for the Secretary/Treasurer position.

Candidates are prohibited, either directly or indirectly (i.e., through an intermediary), from soliciting any member of the Nominating Committee in support of their nomination. Candidates are also prohibited, either directly or indirectly, from campaigning for the position they are seeking among the membership. Failure to comply with these provisions may result in disqualification of the member's candidacy. Local Chapters should refrain from campaigning on behalf of their members who are seeking a position on the Board of Directors.

No person shall be placed on the <u>slate</u> that is from the same governmental entity as any other member continuing to serve as an officer or Board member. In addition, if there are multiple applicants from the same governmental entity, only one individual will be recommended by the Nominating Committee. Any entity that is included as part of the reporting entity for a particular governmental entity for financial reporting purposes under GASB Statement No. 14 or any subsequently adopted standards related thereto (e.g., primary government, blended component units, discretely presented component units) will be considered part of the same governmental entity. For example, for counties, the board of county commissioners and the various elected county constitutional officers are currently part of the same reporting entity for financial reporting purposes and would, therefore, be considered to be from the same governmental entity. Similarly, any utility authority, airport authority, community redevelopment agency, etc. that is included as part of a city's reporting entity for financial reporting purposes would be considered to be from the same governmental entity.

In the event that a currently serving Board member changes jobs and is employed by a government of another current Board member, then the Board member who did not change employment will not be excluded from consideration as an eligible candidate for a Director or Officer position. The person who did change jobs will be excluded from consideration for candidacy at the time their seat expires if that would result in two persons from the same government entity serving at the same time. If both seats expire at the same time, then the Nominating Committee will decide. To be considered as a candidate for Director, individuals must have met all of the following minimum criteria:

- Maintained active membership in the FGFOA for at least three years;
- Served or be serving as chair of an FGFOA Standing Committee or as a President of a recognized local FGFOA Chapter;
- Actively served at least two years on an FGFOA Standing Committee or Ad hoc Committee; and
- Certified that they have not been convicted of a felony in the last ten years

Additionally, to be considered as a candidate for Secretary/Treasurer, individuals must be actively involved and have demonstrated leadership while serving as a Director.

In addition to the above criteria, the following guidelines, which are listed in their relative order of importance, are used by the Nominating Committee in making its recommendations:

- Contributions Consideration will be given to members based on their public
 and professional contributions. Public contributions include service to and
 participation in various public bodies and public interest groups (examples: FLC,
 NLC, NACO, FAC, etc.). Professional contributions include publishing, speaking,
 and committee and conference involvement in professional associations
 (examples: GFOA, FGFOA, AICPA, FICPA, ASPA, ICMA, etc.). Contributions on
 behalf of the FGFOA and any tenured service as a Board member will receive
 greater consideration.
- Professionalism Consideration will be given as to the professionalism of candidates who hold a CPA, CGFO, CPFO, or other similar business certification.
- Demonstrated Leadership Consideration will be given to the member's professional position with their employer, the level of work responsibility attained, and past or current service as an officer or committee chair of a professional, civic, fraternal, religious, or public interest group.
- Balanced and Diversified Representation Consideration will be given to candidates who provide a representative balance in the leadership of the FGFOA including such areas as the member's professional discipline and the member employer's governmental type, population size, and geographic location.

The Nominating Committee has the unilateral right to determine qualified candidates and may reject any application. This unilateral right pertains to rejecting applications only. The Nominating Committee shall not add candidates to the ballot who have not completed an official application. After evaluating potential candidates, the Nominating Committee shall recommend a slate of candidates best suited to serve as a Director and Secretary/Treasurer. These recommendations shall be listed on the slate to be presented to the membership at the next annual business meeting.

Pictures and biographical summaries of the candidates shall be posted on the FGFOA website. The committee shall provide for a notice of their recommendations to the membership through the newsletter or by separate mailing/e-mail at least one (1) week after the Nominating Committee finalizes the candidates. If this day falls on a holiday, Saturday, or Sunday, the deadline will be the next business day.

The Nominating Committee shall provide an official election slate indicating each office to be voted on by the membership and the name of the candidates listed below the respective office. A biographical summary may be included on the slate or provided separately. The Nominating Committee shall approve biographical summaries for each candidate to ensure conformity of content.

Installation of Officers and Board Members

The newly elected Officers and Board members will be installed at the annual business meeting and shall take office immediately following the installation of Officers and Directors.

Amendment of the FGFOA Bylaws

Development of a Bylaw Amendment and Placement on Referendum

An amendment to the Bylaws of the FGFOA may be placed on referendum only by a majority vote of the Board of Directors. When drafted, the amendment shall show all Bylaw changes in add-delete format as well as amended format and shall contain an effective date.

Notice to Members, Development of Position Paper

No later than sixty (60) days prior to the distribution of the ballots, a copy of all Bylaw amendments approved for referendum by majority vote of the Board shall be mailed to all active members, along with a solicitation of written comments by the membership. No later than thirty (30) days prior to the distribution of the ballots, any active member may make written comment to the Board on his position as related to the proposed Bylaw amendment. The Immediate Past President, as Bylaw Committee Chair, shall receive all comments so submitted by the membership and shall incorporate such comments into an unbiased position paper. The Immediate Past President may edit and consolidate comments for purposes of brevity and clarity; however, all positions represented by the membership shall be included in such position paper. The position paper and Bylaw amendments shall be posted on the FGFOA website.

Referendum Process

The referendum ballots process shall be the same as the voting procedures for election of Officers and Directors.

Title of Item:

2023-2024 Conference Program Online

Topic Submission Portal

Executive Summary, Explanation or Background:

The GFOA on their website and magazine advertises a "Call for Topics" which allows a Session Topic, Description of the Session, Track to which the Session relates and Recommended Speaker to be proposed online.

We are proposing to do the same in conjunction with the FGFOA's Annual Conference. An online submission portal that would shared via an e-mail announcement which would allow members to submit a topic for the upcoming conference program, a description of the topic, the track to which the topic relates and a potential speaker for the topic being submitted.

This would need to launch quickly after this year's conference so the submissions received can be shared with the Committee and be used in their meetings. Submitters information could also be used to attract new members to the Committee each year.

Recommended Action:

The Board approve the request to launch an online topic submission portal to be used in the upcoming FGFOA Annual Conference planning.
