To the Audit Committee of the Florida
Government Finance Officers Association, Inc.

We have audited the financial statements of the Florida Government Finance Officers Association, Inc. for the years ended June 30, 2023 and 2022, and have issued our report thereon dated _____. Professional standards require that we provide you with the following information related to our audits.

Our Responsibility Under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated June 12, 2023, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audits of the financial statements do not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audits

We performed the audits according to the planned scope and timing previously communicated to you.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Florida Government Finance Officers Association, Inc. are described in Note 1 to the financial statements. No new accounting policies were adopted during the current year and the application of existing policies was not changed during the years ended June 30, 2023 and 2022. We noted no transactions entered into by the Association during either year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The disclosures in the financial statements are neutral, consistent and clear.

Difficulties Encountered in Performing the Audits

We encountered no significant difficulties in dealing with management in performing and completing our audits.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audits, other than those that are trivial, and communicate them to the appropriate level of management. No such misstatements were identified.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audits.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated _____.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Association's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Association's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

This information is intended solely for the use of the Audit Committee and management of the Florida Government Finance Officers Association, Inc. and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,
