[Click Here to Register and Join the Webinar](#)

Presenter: Benjamin Streed, CFA, Deep Blue Investment Advisors

Overview:

It is an interesting and challenging time for investments in the current economic conditions. Join us as we discuss the current economic environment, interest rates, equity markets and other topics having to do with the economy.

Overview:

- How to invest in the current interest rate environment
- Effect of tariffs on the economy
- Monetary policy

Learning Objectives:

- How the current economic environment affects interest rates and how to manage public funds given the challenges.
- How tariffs, trade and currency are all a part of the economic puzzle.
- How are local economies affected by the economic policies of the Federal and State Government.
