During this session you will learn about the F-ROC program, related benefits for your community and how to join the program. Additionally, this session will provide an overview of the F-ROC forms that any community can use while requesting Public Assistance (PA). While requesting Public Assistance has your organization ever experienced RFI's due to incomplete or inaccurate information, cost documentation, damage documentation, military time, or GPS coordinates. Was your documentation a cause? Then this course is for you.
