GENERAL INFORMATION

Presentations

The Florida Government Finance Officers Association (FGFOA) does not print session presentation handouts. These presentations will be available through the app and posted to the FGFOA website as soon as they are received from the presenters. To access this information, visit the FGFOA School webpage and look under “Training & Education.”

Session and Speaker Evaluations

We will be using an electronic survey for session evaluations. Feedback from attendees on the quality and diversity of the School helps us to determine future program content. Please remember to complete the online survey through the app or website.

Scanning Stations

Scanning stations will be located immediately outside of each session. At the conclusion of the session, scan the barcode on your badge to receive credit for your attendance. If you need assistance, please reach out to staff at the FGFOA School registration desk.

CPE Credit

CPE credit for CPAs and CGFOs will be awarded pending approval from the State Board of Accountancy. Each workshop is designated as follows: Accounting and Auditing (AA), Behavior (BEH), or Technical Business (TB). Each hour of CPE is based on 50 minutes of class time. It is the responsibility of the individual participant to report hours of credit to the Florida Board of Accountancy. FGFOA is not responsible for reporting credit accuracies.

Electronic Devices

As a courtesy to our speakers and attendees, please silence all mobile devices during the conference sessions.
