

FGFOA 2026– 2027 Dues Renewal

Opens: July 1, 2026

Exciting news! Renewing your membership with both the local chapter and state organization can be done in one convenient location. We are thrilled to notify you that we are continuing our partnership between the FGFOA and our local chapters, streamlining the renewal process and enhancing member support.

So, what does this mean for you, our valued member? It means that when you renew your state membership, you will have three options available.

- A. Select only FGFOA State Dues
- B. Select only Local Chapter Dues
- C. Select FGFOA State and Local Chapter Dues

You can select the local chapter (or chapters) you wish to be affiliated with separate from the FGFOA State Dues. You have the flexibility to join multiple local chapters, tailoring your membership to your specific interests and needs. Plus, the renewal process is now seamless – simply select your desired chapter and membership type during renewal, and your local chapter membership fee will be conveniently added to your state membership fee.

NOTE: All FGFOA State membership dues will be going up by \$10 for this upcoming fiscal year.
