One Connection Can Change a Career

Become a Mentor. Find a Mentor. Shape the Future of Government Finance

Ready to grow your career, strengthen your leadership skills, and build meaningful professional connections?

The **FGFOA Mentoring Program** is designed to connect government finance professionals through impactful relationships that foster personal growth, professional development, and lasting success. When experienced leaders and emerging professionals come together, powerful things happen. Careers are strengthened, confidence grows, and opportunities are created to educate, elevate, and empower the future of government finance.

Mentees

Imagine having an experienced government finance professional in your corner. Someone who can provide guidance, share valuable insights, and help you navigate challenges and opportunities along your career journey.

Through the FGFOA Mentoring Program, you will gain:

- Valuable career and leadership guidance
- Increased confidence and professional skills
- Expanded networking opportunities
- Access to experienced government finance leaders
- Meaningful relationships that can last long after the program ends

What Former Mentees Are Saying

"Most importantly, I gained a support system, which was crucial to my success in my current position. I never felt as though my constant questions were burdensome to my mentor, and I truly appreciated her willingness to be of help in any way that she possibly could."

"My mentor was always kind and understanding. She listened without judgment and shared her own experiences. I truly feel like she is rooting for me to succeed."

"Please keep this program alive and recruit more mentees and mentors!"

Mentors

Your experience has the power to make a lasting impact.

By serving as a mentor, you'll help shape the future of government finance while strengthening your own leadership and communication skills. Whether you're a seasoned leader or mentoring for the first time, FGFOA provides support and resources to help you succeed.

As a mentor, you will:

- Share your knowledge and experience
- Develop and strengthen leadership skills
- Gain fresh perspectives from emerging professionals
- Expand your professional network
- Make a meaningful difference in someone's career and life

What Former Mentors Are Saying

"The other day my mentee texted me. Just knowing that I hopefully made a difference in her life—that she would think of me even after the program ended and reach out—meant everything."

"The most beneficial part of the program is getting to connect with new people and make an impact."

"I really liked the scheduled speaker sessions and breakout discussions. That was when we engaged the most and built meaningful connections."

Ready to Educate, Elevate, and Empower?

Whether you're looking to gain valuable career guidance or share your experience with the next generation of government finance professionals, the FGFOA Mentoring Program offers an opportunity to grow, connect, and make a lasting impact.

Join a community of professionals dedicated to Educating, Elevating, and Empowering government finance professionals across Florida and discover how one connection can change a career! **Applications are now open, and the deadline to apply is August 21.**

Don't miss your chance to be part of this rewarding experience.
